MASUD RANA
FRONT-END WEB DEVELOPER

📞 01996722640
✉ ranarr.dev@gmail.com
📍 Mohammadpur, Dhaka 1207

Passionate front-end developer specializing in React and the MERN stack. Dedicated to crafting visually appealing and user-friendly websites. Always learning and eager to push boundaries in web development. Driven by creativity and a commitment to excellence, I thrive on delivering seamless digital experiences that captivate and engage users

PROFESSIONAL EXPERIENCE

Nifty It Solution   **Sep 2023 - Nov 2023**
Front-end Web Developer Intern

Dynamic and motivated individual with hands-on experience gained during an internship at Nifty IT Solution. Proficient in utilizing React.js to develop real-world projects, with additional expertise in TypeScript and GraphQL. Demonstrated ability to adapt and thrive in fast-paced environments, contributing effectively to project success through innovative problem-solving and collaboration
